MEASUREMENT TECHNOLOGY FOR THE LABORATORY

PERFECT FOR THE CLASSROOM

KERN, the certified specialist for weighing and measuring technology, is Germany's oldest precision scale factory. By focusing on quality and developing customer-oriented products, KERN has stood for precision, service and quality worldwide since 1844. Our product range includes an enormously wide range of precision and analytical balances, moisture analyzers, microscopes and

refractometers, which can be supplemented on request with the appropriate calibration or verification certificate. The products are available at lightning speed from our large central warehouse in the middle of Europe. Are you looking for customised system solutions for yourself or your customers? Our sales and service team will be happy to support you.

Precision,
reliability,
quality.

That's what we
stand for!

**School balance
KERN EMB**

+ Entry level laboratory balance with tremendous weighing performance

from € 56,-

**School balance
KERN EFS**

+ Perfect school balances for experimental teaching - easy to use, space-saving, stackable

from € 55,-

**Set for density determination
KERN YDB-02**

+ Set for density determination for KERN EMB 2000-2V of liquids and solids with density $\leq/\geq 1$

from € 470,-

**Set for density determination
KERN YDB-01**

+ Set for density determination for KERN EMB 200-3V of liquids and solids with density $\leq/\geq 1$

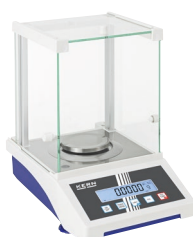

from € 270,-

**Compact Laboratory
Balance KERN PCB**

+ The standard in the laboratory, ideal for a wide range of applications for Industry 4.0

from € 170,-

**Analytical Balances
KERN AXS - AXE**

+ Entry-level analytical balance with compact housing and internal or external adjustment

from € 600,-

**Compound microscope
KERN OBT 101**

+ The modern compound microscope for teaching in your classroom

only € 220,-

**Compound microscope
KERN OBT 231**

+ The modern compound microscope for teaching in your classroom

only € 790,-
